

On **Wednesday 10th June**, St Patrick's PS, Mullinahoe will be holding a very special **Jersey Day**. All pupils and staff are invited to come to school wearing a club, county, or other sports jersey.

This day is being organised in support of Kerri Mullan, a daughter of one of kitchen staff members Siobhan. Tragically Kerri, who is 18, was involved in a serious car accident which resulted in a devastating spinal cord injury. She underwent emergency spinal surgery and has spent the past four months in hospital, facing challenges no young person should ever have to endure.

Kerri has currently lost movement from the chest down and is dealing with ongoing medical complications, as well as constant pain and discomfort. Despite everything, she continues to face each day with remarkable courage and strength.

Before the accident, Kerri was full of life. She was in her final year of school, loves sport and especially playing football with her club Ballinderry Shamrocks. She was also looking forward to completing her exams and going on to university.

As Kerri prepares to return home, life will look very different. She will require ongoing care, intensive rehabilitation, and significant adaptations to her home to help her manage daily tasks and regain as much independence as possible.

How You Can Help

We are asking families to bring in a donation on Jersey Day if they are able. The level of care and equipment required comes at a significant cost.

Donations will help support:

- ♥ Ongoing rehabilitation and physiotherapy
- ♥ Essential medical equipment and assistive technology
- ♥ Necessary home adaptations
- ♥ In-home care and long-term recovery support

If you are in a position to donate, no matter how small, it will make a real difference.

If you are unable to donate, sharing Kerri's story and **GoFundMe link** would be greatly appreciated.

Thank you for your kindness, generosity, and continued support.

Please help us as we try to support her and her family through this incredibly difficult journey.
